Excuse Me While I Kill Myself

Sentenced

"How do you do? Have yourselves a pleasant afternoon!"
Well, fuck you, too!
"Good night" is the one I choose for you!- I'll kill myself:
I'll blow my brains onto the wall!
- C U in Hell,
I will not take this anymore!
Now, this is where it ends,
this is where I will draw the line
So, 'scuse me while I end my life.I will pull this through
Not having a reason is no excuse
What the Hell do you suppose I have left to lose?
(You?)Chorus[hyvsti j]- I'll kill myself:
I'll blow my brains onto the wall!
- C U in Hell,
I will not take this anymore!
This is where it ends: I'll put a bullet in my head
And yes, drop dead [HA-HA-HA]!
This is where it ends, this is where I will draw the line:
- Excuse me while
I Kill myself.
