

# All Or Nothing

## Monrose

Mandy

Don't tell me this was just a casual affair

See you in a day or two

Maybe out somewhere

Bahar

I see it in your eyes, you feel the way I do

Runnin from the truth

'cause it's happening too soon

Senna

Now I can't live with just one kiss at a time

Now I need more than just pieces of your life

Alle

'cause it's all or nothing

Time to tell me something

Should I go or should I stay

Just don't take me half the way

Baby, all or nothing

I need all your loving

All your mind and all your heart

All you got is what I want

'cause it's a-all or nothing

Senna

I give you every bit of all I have to give

If you go you'll never

Know just what you missed

Mandy

I don't know how much longer I can wait

Won't sit around

While you play your foolish games

Bahar

Boys will be boys and you gotta have your fun

Oh, don't you know I've got

To be the only one

Alle

'cause it's all or nothing

Time to tell me something

Should I go or should I stay

Just don't take me half the way

Baby, all or nothing  
I need all your loving  
All your mind and all your heart  
All you got is what I want  
Senna  
Baby, you got a-all or nothing  
Bahar Senna  
?cause it?s a-all or nothing (Baby all your love)  
Mandy  
?cause it?s a-all or nothi-ing  
Senna  
?cause it?s all or nothing  
Oh-oh  
Mandy  
Baby, you got all or nothing  
Senna  
?cause it?s all or nothing  
Oh-oh
