

80 Proof Bottle Of Tear Stopper

George Strait

You ain't never fell as far as when you fall in love
Except the fall you take when you've been loved and given up
When you have your heart and soul rubbed into the dirt
An eighty-proof bottle of tear-stopper will take away the hurt Give me an eighty-proof bottle of tear-stopper
And I'll start feeling I forgot her
Get a little loose and lose her memory
And I won't think I'm close to dying
Because it dries up all my crying
An eighty-proof bottle of tear-stopper always sets me free It ain't easy losing love although it's turned out bad
All at once you're turning off old feelings you once had
But I found a helping hand right here in my hand
And eighty-proof bottle of tear-stopper will help me take 'em out Give me an eighty-proof bottle of tear-stopper
And I'll start feeling I forgot her
Get a little loose and lose her memory
And I won't think I'm close to dying
Because it dries up all my crying
An eighty-proof bottle of tear-stopper always sets me free
