

# Does My Ring Hurt Your Finger

[June Lodge](#)

Does my ring hurt your finger when you go out at night  
When I bought it for you darling it seemed to be just right  
Should I take it to the jeweler so it won't fit so tight  
Does my ring hurt your finger when you go out at night Did you enjoy yourself last night dear how was the show  
You know that I don't mind it when you go  
I understand sometimes we all need time alone  
But why do you always leave your ring at home Does my ring hurt your finger when you're away from me  
I'm so proud when you wear it for all the world to see  
Should I take it to the jeweler so it won't fit so tight  
Does my ring hurt your finger when you go out at night  
Does my ring hurt your finger when you go out at night
