

Lotta Love

Sundy Best

I'm runnin' behind
She's runnin' shotgun
What matters don't mind
Another wasted day
We ain't got nothing done But we got each other
And that will suffice
We ain't broken down
But we damn sure just might
We ain't wealthy
Just livin' day-to-day
Yeah we got a little money
But we got a lotta love
Somehow babe, that's more than enough
Through the thick and thin
When the times are tough
We got a little money
But we got a lotta love Nights turn into day
There ain't no work 'round here
God must light our way
Out into this dark atmosphere But we got each other
And that will suffice
We ain't broken down
But we damn sure just might
We ain't wealthy
Just livin' day-to-day
Yeah we got a little money
But we got a lotta love
Somehow babe, that's more than enough
Through the thick and thin
When the times are tough
Yeah we got a little money
But we got a lotta love There ain't a thing
That I, I would change
Cause without you
I wouldn't be standin' here today Yeah we got a little money
But we got a lotta love
Somehow babe, that's more than enough
Through the thick and thin
When the times are tough

Yeah we got a little money
But we got a lotta loveYeah we got a little money
But we got a lotta love
