Changes (Radio Edit)

Chris Lake

There are so many changes in my life
I don't know if it's wrong or if it's right
And I want you, want you by my side
Everything is gonna be alright

Changes in my life
I won't leave you behind
Changes in my life
You will see in time

Changes in my life
You're always on my mind
Changes in my life
I got you by my side

In life we're always looking
Let the past behind
We try to see the warnings and read all the signs
Sometimes you gotta take chances
Nothing stays the same
The world will keep on turning
Again and again, again and again
