

Magic Carpet Ride (Philip Steir remix)

Steppenwolf

I like to dream, yes, yes
Right between the sound machine
On a cloud of sound I drift in the night
Any place it goes is right
Goes far, flies near
To the stars away from here Well, you don't know what
We can find
Why don't you come with me little girl
On a magic carpet ride Well, you don't know what
We can see
Why don't you tell your dreams to me
Fantasy will set you free Close your eyes now
Look inside now
Let the sound
Take you away Last night I hold Aladdin's lamp
So I wished that I could stay
Before the thing could answer me
Well, someone came and took the lamp away I looked
Around
A lousy candle's all I found Well, you don't know what
We can find
Why don't you come with me little girl
On a magic carpet ride Well, you don't know what
We can see
Why don't you tell your dreams to me
Fantasy will set you free Close your eyes now
Look inside now
Let the sound
Take you away
