Groove Me (album version)

Fun Factory

Groove me groove me groove me hey
Move me move me baby
Groove me groove me groove me hey
Move me move me babyTime is up
It's time to get up
No fakin' to be seen
No dumbness to be heard
We got to all move in the same direction
If you can't move then you need a correction
Just move you body out on the dance floor
If you can't dance
Get off my dance floor
Rap is out
It's what I talk about
It started it all so what you're talking aboutRoll roll roll
You loose control
Fun factory groove you know I got soul
To get you all up on the dance floor
So all you scream move, move, more, more
So what you're gonna say
So what you're gonna do
Try to stop Rod D.
You know you can't do
So let me flow just how I like
I give you all just what you like
