# I've Got a Feeling

## Ivy

Oh yeahBaby, what can I do?
I've been out searching for you
I've got a feeling all I need is a love that's trueBaby, what can I say?
I know this won't go away
I've got a feeling all I need is to see you todayI've been watching the world pass by all around me
I've been letting the days go by 'til you found meBaby, what can I do?
I've been out searching for you
I've got a feeling all I need is a love that's trueI've been watching the world pass by all around me
I've been letting the days go by 'til you found meBaby, what can I do?
I've been out searching for you
I've got a feeling all I need is a love that's true
I've got a feeling all I need is a love that's true
