## **Don't Listen To The Radio**

## **Granger Smith**

Don't listen to the radio Hear something that ya ready know I got no radio

Don't speak upon the telephone Hear somethin' that you're never shown I got no telephone

> Get out the way today (Oh yeah I say) Get out the way today (Oh yeah I say)

Don't listen to the TV show Feel someone that you ready know I got no T.V.O

> Get out the way today (Oh yeah I say) Get out the way today (Oh yeah I say)
