Black Sheep

Stereoside

I've got my eyes on you
You've got your hands down deep in my pockets
well all your plans you can keep
I don't mind being the black sheep
I've got my eyes on you
You've got your hands down deep in my pockets
well I don't have time for fools
All your plans you can keep
I don't mind being the black sheep
I don't mind being the black sheep
I don't mind being the black sheep
I don't mind being the black sheep
Do you?
the question is, the question is do you?
Do you? Do you?
I bet you never were guested
It's been a rollercoaster oh yeah
But that still is no excuse
for your last and your
For your plans you can keep
I don't mind being the black sheep
I don't mind being the black sheep
I don't mind being the black sheep
I don't mind being the black sheep.
the question is, the question is do you?
Do you? Do you?
Oh yeah come on baby
I've got my eyes on you
You've got your hands down deep in my pockets
well what you find you can keep
I don't mind being the black sheep
I don't mind being the black sheep
Do you?
I don't mind being the black sheep
I don't mind being the black sheep
the question is, the question is do you?
Do you? Do you?
