Right Here

Staind

I know I've been mistaken
But just give me a break
And see the changes that I've madeI've got some imperfections
But how can you collect them all
And throw them in my face?But you always find a way
To keep me right here waiting
You always find the words to say
To keep me right here waitingAnd if you chose to walk away
I'd still be right here waiting
Searching for the things to say
To keep you right here waitingI hope you're not intending
To be so condescending
It's as much as I can takeAnd you're so independent
You just refuse to bend
So I keep bending till I breakBut you always find a way
To keep me right here waiting
You always find the words to say
To keep me right here waitingAnd if you chose to walk away
I'd still be right here waiting
Searching for the things to say
To keep you right here waitingI've made a commitment
I'm willing to bleed for you
I needed fulfillment
I found what I need in youWhy can't you just forgive me?
I don't want to relive
All the mistakes I've made
Along the wayBut I always find a way
To keep you right here waiting
I always find the words to say
To keep you right here waitingBut you always find a way
To keep me right here waiting
You always find the words to say
To keep me right here waitingAnd if I chose to walk away
Would you be right here waiting?
Searching for the things to say
To keep me right here waiting
