Born Again

Cory Asbury

Take me by the hand and
Walk with me by quiet streams
I need to hear the wind and
Feel the ground beneath my feet'Cause You're the only friend
Who can set my soul at easeIn the quiet pride of my Father's eyes
I remember who I am
When I feel the warmth of my Father's smile
Feels like I've been born again
I've been born againRealign my heart and
Help me keep the first things first
Let me hear Your whisper and
God, I hang on every word'Cause You're the only friend
Who can set my soul at ease
In the quiet pride of my Father's eyes
I remember who I am
When I feel the warmth of my Father's smile
Feels like I've been born again
I've been born again
I've been born again
Oh oh oh
I've been born again
