

Cover Me (Re-Recorded)

Percy Sledge

Cover me, cover me
Spread your precious love all over me
Oh, can't you see the need in me?
Oh, cover me, cover me Hide me, hide me
Where no other can find me
Oh, I'm feeling cold, I need you so
Oh, cover me, cover me Girl, my love for you gets stronger everyday
Oh, temptation might be waiting 'round the way
When I'm [?] and I get led astray
Find me, find me
Can't stop the little tear that blinds me
Oh darling, I don't want to lose you
Oh, find me Stay with me, stay with me
Baby, make it all the way with me
Oh, everyday and every way
Stay with me, you stay with me Cover me, cover me
Spread your precious love all over me
Oh, can't you see the need in me?
Oh, cover me, cover me Cover me, cover me
Spread your precious love all over me
Oh, can't you see?
