

One Day (At a Time)

Elton John

You are my weakness
You are my strength
Nothing I have in the world
Makes better sense, 'cause I'm the fish and you're the sea
When we're together
Or when we're apart
There's never a space in between
The beat of our hearts, 'cause I'm the apple and you're the tree
One day at a time is all we do
One day at a time is good for you
You, you
You are my woman
I am your man
Nothing else matters at all
Now I understand that I'm the door and you're the key
And every morning
I wake in your smile
Feeling your breath on my face
And the love in your eyes, 'cause you're the honey and I'm the bee
One day at a time is all we do
One day at a time is good for us two
You too
You
Ooh
One day at a time is all we do
One day at a time is good for you
You, you
Ooh
