I Live for Your Love

Cosmic Ray

Stand up, stand on your own
That's what they tell me
You can make it alone
Where does it say I have to move
Far away from you
To prove I'm strong?
Oh, when all it really proves
Is I'm lonely without you
And loneliness has to be wrong
I live for your love
(Everyday)
Every minute
I live for your love
(In my life)
Want you in it
I live for your love
I admit it
I live for your love
I wake up with no one to kiss
Sometimes I wonder
(Wonder, wonder)
If I just exist
I know there are people I can see
Places I could be
And friends who call
Oh, but what good does it do
There's no substitute for you
I want you or nothing at all
I live for your love
(Everyday)
Every minute
I live for your love
(In my life)
Want you in it
I live for your love
I admit it
I live for your love and your kisses
And know how I'm missing
Your sweet tender touch

(Tender touch)
I need you so much
That I just can't go on anymore
What I wouldn't give for
'Cause darling I live for your love
(Everyday)
Every minute
I live for your love
(Got one life)
Want you in it
I live for your love
I hate to admit it
But oh, I live for, I'd die for
What I wouldn't give for your love
(I live for your love)
(Everyday)
I live for your love
(Got one life)
Everyday, every minute
(I live for your love)
I have only got one life
I want you in it
Oh, my baby, yes, yes
I live for your love, ooh ooh
