

# Cinema (Benny Bassi feat. Gary Go)

[Skrillex](#)

I could watch you for a lifetime, you're my favorite movie  
A thousand endings, you mean everything to me  
I never know what's coming, forever fascinated  
Hope you don't stop running, to me 'cause I'll always be waiting You are a cinema, I could watch you forever  
Action, thriller, I could watch you forever  
You are a cinema, a Hollywood treasure  
Love you just the way you are A cinema, a cinema, [X3]  
Get up get down,  
Lose that sound,  
My DJ gonna break it down Get up get down,  
Lose that sound,  
Drop the bass Stars spell out your name, like in a science-fiction drama  
Romance growing, like a flower in the summer  
You always keep me guessing, forever my wonderful  
Hope you start undressing, all my dreams and take me under You are a cinema, I could watch you forever  
Action, thriller, I could watch you forever  
You are a cinema, a Hollywood treasure  
Love you just the way you are A cinema, a cinema [X3]  
Get up get down,  
Lose that sound,  
My DJ gonna break it down Get up get down,  
Lose that sound,  
Drop the motion You are a cinema, I could watch you forever  
Action, thriller, I could watch you forever  
You are my cinema, a Hollywood treasure  
Love you just the way you are A cinema, a cinema, a cinema  
A cinema, a cinema, a cinema, a cinema, a cinema, a cinema, a cinema, a cinema, a cinema....
