Cerebral Hybridization

Fallujah

Deviancy of the human consciousness.
Allopatric fusion of mortal souls
Engaging in the essence of Advanced Symbiosis and Global Consciousness
Engaging in the essence of Advanced Symbiosis and Global ConsciousnessUnified by evolution of truth
Empowered by dreamsPrimitive universe of the conscious dead
Falsehood in UteroThe mind rid of the poisons
blinding paradoxical cerebral hybridizationForeign concepts to the liberated cerebrum
Joined in invention
Conjuring the elements of an orbital bend,
As we deter the progress of cognitive evolution
The spirit bound in synapse
Spherical choir of the global mass.
The mind rid of the poisons
blinding paradoxical cerebral hybridization
Sent forth
(Conceptions Unwind in the Construct of Blood)
