

Gone

Martin L. Gore

So tired so soon what happened to you
What happened to you, you got lost
Somewhere between there and here
Somewhere between so far so near You got lost
Somewhere between
What happened to you Someone has been removed what happened to her
What happened to her, she got lost
Somewhere between there and here
Somewhere between so far so near She got lost
Somewhere between
What happened to her You used to be so young
Used to be so young
It was going to take so long
It had almost gone What is his name
What is his name
What is his name
