Kickstart

Chase Frank

Would have done more than anything
Back then to make you smile
To the end of the earth and back
To protect all that we hadNow it's done and I'm gone
But you're back here in my faceSo why you wanna go kickstart the drama?
Now don't you know you can't break through my armor?
Just leave me alone, leave me alone
Just leave me alone, leave me aloneKickstart the drama
Kickstart the dramaIt's a little too late to want me now
It's dead and gone
'Cause the fact that you messed things up
It's your fault and that's real talkNow I'm done with your song
'Cause the melody's all wrongSo why you wanna go kickstart the drama?
Now don't you know you can't break through my armor?
Just leave me alone, leave me alone
Just leave me alone, leave me aloneSo why you wanna go kickstart the drama?
Now don't you know you can't break through my armor?
Just leave me alone, leave me alone
Just leave me alone, leave me aloneNow I'll be the one that gets to not return your calls
And you'll be the one who gets to feel invisibleSo why you wanna go kickstart the drama?
Now don't you know you can't break through my armor?
Just leave me alone, leave me alone
Just leave me alone, leave me aloneSo why you wanna go kickstart the drama?
Now don't you know you can't break through my armor?
Just leave me alone, leave me alone
Just leave me alone, leave me alone
