

Complete Me

Marques Houston

I know you heard about the things I do
And i know it's hard to let it go
And it's just as hard for me to show
After everything else I do, I still love you
And nothing feels worse than breaking, you cry
But I do it constantly, I can't deny, noo
And I try so hard to let it go
Cause I've come too far to let you go
I just gotta prove to you I still love you
Ooohh
Before you make up your mind
Ooohh
Just hear me out one last time
I just wanna let you know
That baby you completely complete me
I'm never gonna let you go
Cause baby you completely complete me
And if you wanna ask me why
I never wanna see you cry
Cause baby you completely complete me I was never the one to want to fall in love, baby in love
I can know it takes one broken heart and [?]
Cause once a heart is broken, it's broken
And you never wanna take that road I guess
If you wanna leave baby, i swear i [?]
Ooohh
Before you make up your mind
Ooohh
Just hear me out one last time
I just wanna let you know
That baby you completely complete me
I'm never gonna let you go
Cause baby you completely complete me
And if you wanna ask me why
I never wanna see you cry
Cause baby you completely complete me Ooohh
And you'll feel yourself better, baby believe me
I know you wanna leave, but baby believe
Ooohh
Before you make up your mind

Ooohh
Just hear me out one last time
I just wanna let you know
That baby you completely complete me
I'm never gonna let you go
Cause baby you completely complete me
And if you wanna ask me why
I never wanna see you cry
Cause baby you completely complete me
