Renaissance

Chad Price

I hear so much in the silence,
There's too much noise in this quiet,
Oh it's promising to save me,
If only I can survive it,So let me light the spark,
Don't get left in the dark,
Things must fall apart,
This is renaissance art,We're all just made of stars,
Light that's traveled very far,
And we can live forever,
There's no such thing as now or never,
Calling for a new arising starting on my bedroom floor,
Oh I use to never recognize it,
Now I simply can't ignore,
So let me light the spark,
Don't get left in the dark,
Things must fall apart,
This is renaissance art,
So let me light the spark,
Don't get left in the dark,
Things must fall apart,
This is renaissance art,
