

Lakehouse (Live on KEXP)

Of Monsters and Men

Oh, I miss the comfort of this house
Where we are, where we are
Where we are, where we are
The floor under our feet whispers out;
"Come on in, come on in, where it all begins" Can you chase the fire away
Can you chase the fire away
We climbed up to the top in worn out shoes
She ran down, she ran down, she ran down to the house
A fox that gains our trust but then breaks it as he walks
Away from us, away from us Can you chase the fire away
Can you chase the fire away
In the fall we sleep all day, in the fall we sleep all day Where we are...
