

# Ain't Messin' 'Round

Gary Clark Jr.

I don't believe in competition  
Ain't nobody else like me around  
I don't need your imposition  
It ain't that hard to figure it out

Give it up now  
Play cool  
Give it up now  
Play cool

Give it up now  
Don't let me down

Don't think too much of my disposition  
You already know what's going down  
Don't wanna be your exhibition, no  
I don't want nobody hanging around

Give it up now  
Play cool  
Give it up now  
Play cool

Give it up now  
Don't let me down  
(x2)

Play cool  
Play cool  
Play cool

Give it up  
Give it up  
Give it up now
