

The Love of Richard Nixon

Manic Street Preachers

The world on your shoulders
The love of your mother
The fear of the future
The best years behind youThe world is getting older
The times they fall behind you
The need it still grows stronger
The best years never found youThe love of Richard Nixon, death without assassination
The love of Richard Nixon, yeah, they all betrayed you
The love of Richard Nixon, death without assassination
Yeah, they all betrayed you, yeah, and your country tooLove build around the sandy beaches
Love rains down like Vietnam's leeches
Richard the third in the White House
Cowering behind divided curtainsThe world is getting older
The times they fall behind you
The need it still grows stronger
The best years never found youAh, the love of Richard Nixon, death without assassination
The love of Richard Nixon, yeah, they all betrayed you
The love of Richard Nixon, death without assassination
Yeah, they all betrayed you, yeah, and your country tooThe love of Richard Nixon, death without assassination
The love of Richard Nixon, yeah, they all betrayed you
People forget China and your war on cancer
Yeah, they all betrayed you, yeah, and your country tooIn all the decisions I have made in my public life
I have always tried to do what was best for the nation
I have never been a quit
