F**k Donald Trump

The Sikc One

[Intro] (Interview)
I'm not going to pay for that f**king wall. He should pay for it. He's got the money. If he's got----
"Are you afraid that he's gonna be the next president of the United States?" ----Not at all Not at all----
"What would that mean. What would that mean for Mexico?"--No, no, no, Democracy cannot take after crazy people that doesn't know what's going on in the world today. What is trump? He's not a Republican. Absolutely not. Those are not the Republican principles. He is not a Democrat. He's just himself. He's evil centre. Evil centre. Evil centre. Evil centre. Evil centre.

[Verse]
They wanna kick us out this motherf**king country. They tryna get Mexico to pay all this money. So they could build a wall that's 20 feet high. Even if they f**king build it, we'll all break it down byyyyee. They asked Donald Trump about David Duke. Now Duke is the leader from the KKK crew. He said that he don't know em' He said he's never heard of em' but there's all interviews He's talkin sh*t about that puto and the KKK and David Duke endorsed Donald Trump but Donald Trump plays it off like he don't know what's up. We can see through you you money hungry fakes. We're some Mexican-illegals about to devour any snakes. Hey! You're just a sexist, a liar, and a thief I just hope somebody socks you and knocks off all your teeth. Lets take a stance like the people of and beat these racist motherf**kers up just one more time.

[Chorus] 2x
Where's my Mexicans at?
Where's my real ones at?
Where's all my hard workers at?
This is what we're saying back.
F**k Trump! Yeah! We're saying F**k Trump! F**Trump! F**k Mr. Donald Trump!

[Verse]
We don't like you cause you're just a piece of sh*t. Your family's from Germany so you just need to quit. And stop f**king lying to our people. You say that we're illegal but what you're doing is illegal. Most of the people that you have under your buildings are undocumented workers so homie what you thinking? Tell me what you're feeling when you come up with all these lies. You sitting back at home while you eat vanilla pie. We ask him why do you think you can be president. You're like a modern Hitler stupid and just arrogant. Shout out to Veterans the Mexicans at war, they fought in Iraq, they did a little more, than he would ever do. He don't gotta clue. We're stronger than he thinks. He's just another fool. Wit his f**ked up hair do. Pinche pellos de elote ya peina de se madre contes flores

[Chorus]
