I Stand Alone

Godsmack

I've told you this once before, can't control me
If you try to take me down you're gonna break
I feel you're every nothing that you're doing for me
I'm thinking, you oughta make your own wayI stand alone inside
I stand aloneYou're always hiding behind your so called goddess
So what? You don't think that we can see your face?
Resurrected back before the final falling
I'll never rest until I can make my own way, I'm not afraid of fadingI stand alone
Feeling your sting down inside me
I'm not dying for itI stand alone
Everything that I believe is fading
I stand alone inside
I stand aloneAnd now it's my time
(Now it's my time)
It's my time to dream
(My time to dream)
Dream of the skies
(Dream of the skies)Make me believe that this place isn't plagued by the poison in me
And help me decide if my fire will burn out before you can breathe
Breathe into meI stand alone inside
I stand alone
Feeling your sting down inside me
I'm not dying for itI stand alone
Everything that I believe is fading
I stand alone inside
I stand alone inside
I stand alone inside
I stand alone inside
