Sweeter Than Anything

PJ Harvey

In photographs
I've seen him laugh
Man overboard
Sun on his backSummer was here
I remember it well
How he stood in the shade
How we both kissed and fellHow can this be?
There's nothing left here
How can this be?
There's nothing left hereSo sad our
So sad our
So sad our
So sad our
Our memoryNow he talks in his sleep
Says I've never known peace
And I don't know him now
He's a stranger to meHow can this be?
There's nothing left here
How can this be?
There's nothing left hereWe were
Never more than a dream
Brief as
Summer or spring
Sweeter than anything
