

# OMG (feat. Joji & Chief Keef)

## RL Grime

Fucked up every hour on a week day (week day)  
Flexin' on my exes, oh my god (oh my god, oh my god)  
I just fucked another freaky (freaky)  
Doing donuts on the quad (on the quad, on the quad) Geeked up on the motor, got the engine running deep  
Poppin' rocks at the bottom of my feet (of my feet, of my feet)  
I don't care about the topic if you're talking 'bout me  
Got another couple racks up for the  
cheese (for the cheese, for the cheese)  
Like oh my god (oh my god)  
I don't know (I don't know)  
What the fuck? (what the fuck?)  
Is going on  
Like oh my god  
Yeah, you shouldn't pull up (pull up)  
'Cause we don't give a fuck about love, yeah, yeah, yeah, yeah  
Sit and watch me eat a bun  
A vampire, I'ma inaawon (phew)  
That check, I want the biggest one  
Left and right pocket arm big and one (phew)  
I'm landin' on my fucking heels (ay)  
I just went to the fucking hills (phew)  
She don't wanna give me grill (ay)  
But she want me to fuck her still (ay, phew)  
These niggas just lil fruit cups  
We got 3K's, no klu klux  
At Soho in the suite with two sluts  
It is 3AM and they are too much  
You see the bank roll in my pocket  
Talk crazy, I'll blow your ass with a rocket  
Took the plug, 'cause he was out of socket  
Gettin' top, 'cause she was out of pocket when said that she wasn't  
Giving in to me  
Everything will freeze  
Teleport me, please  
And my watch big D's  
Pants saggin', 'cause bankrolls and these keys  
Memory loss from drank flex and weed (phew)
