

# Police Story

## Planes Mistaken for Stars

Advisory - the following lyrics contain explicit language:

[Originally by Black Flag] This fucking city is run by pigs.

They take the rights away from all the kids.

Understand we're fighting a war we can't win.

They hate us, we hate them.

We can't win, no way.

Walking down the street.

I flip them off.

They hit me across the head with a billy club.

Understand we're fighting a war we can't win.

They hate us, we hate them.

We can't win, no way.

Nothing i do, nothing i say.

I tell them to go get fucked.

They put me away.

Understand we're fighting a war we can't win.

They hate us, we hate them.

We can't win, no way.

I got to court for my crime.

Stand in line, pay bail.

I may serve time.

Understand we're fighting a war we can't win.

They hate us, we hate them.

We can't win, no way.
