

The Man With the Child In His Eyes

[Tina Arena](#)

I hear him, before I go to sleep
And focus on the day that's been
I realize he's there
When I turn the light off and turn over Nobody knows about my man
They think he's lost on some horizon And suddenly I find myself
Listening to a man I've never known before
Telling me about the sea
All his love is 'til eternity Ooh, he's here again
The man with the child in his eyes
Ooh, he's here again
The man with the child in his eyes He's very understanding
And he's so aware of all my situations
And when I stay up late
He's always waiting, but I feel him hesitate Oh, I'm so worried about my love.
They say, "No, no, it won't last forever" And here I am again, my girl
Wondering what on Earth I'm a doing here
Maybe, he doesn't love me
I just took a trip on my love for him Ooh, he's here again
The man with the child in his eyes
Ooh, he's here again
The man with the child in his eyes
