

# Trespassing

[Adam Lambert](#)

Advisory - the following lyrics contain explicit language:

Well, I was walkin' for some time...  
When I came across this sign  
Sayin' Who are you and where are you from?  
We dont like when visitors come."  
No Trespassing, thats what it said  
At least thats what I could read.  
No Trespassers? Yeah, my ass!  
Wait 'til ya get a load of me!  
One day I was trippin' and thats when I could see  
That the ether I had tapped into could be reality  
It was great, thats when I climbed that optimistic vine  
Once I hit that mountain peak, I began to lose my mindI dont need no sympathyy.  
I wont cry and whine.  
Lifes my light and liberty  
And I shine when I wanna shine.  
Make their faces crack  
Theres no turnin' back.  
Lets go!Well, I was walkin' for some time  
When I came across this sign  
Sayin' Who are you and where are you from?  
We dont like when visitors come."  
No Trespassing, thats what it said  
At least thats what I could read.  
No Trespassers? Yeah, my ass!  
Wait 'til ya get a load of me!  
I aint got BS in my bag  
Thats the one thing you can believe  
My heart is gold, my body is glass  
Come on baby, cant you see?  
I don't need no GPS  
To show me where to go  
But I can turn it to the north pole

And show you what is cold  
I dont need no sympathy.  
I wont cry and whine.  
Lifes my light and liberty  
And I shine when I wanna shine.  
Make their faces crack (crack)  
Theres no turnin' back.  
Lets go!  
Well, I was walkin' for some time  
When I came across this sign  
Sayin' Who are you and where are you from?  
We dont like when visitors come."  
No Trespassing, thats what it said  
At least thats what I could read.  
No Trespassers? Yeah, my ass!  
Wait 'til ya get a load of me!  
Wait 'til ya get a load of me!  
I said wait 'til ya get a load of me!  
I ain't stayin' at home  
I got places to roll  
I ain't stayin' at home  
No, no, no  
Hey, hey, hey  
Heyeah, yeah, yeah!  
I dont need no sympathy.  
I wont cry and whine.  
Lifes my light and liberty  
And I shine when I wanna shine.  
Heh heh  
Heh heh  
Heh heh  
Heh heh  
Lets go!  
Well, I was walkin' for some time  
When I came across this sign  
Sayin' Who are you and where are you from?  
We dont like when visitors come."

Wait 'til ya get a load of me!
