

# Shake Some Action (Remastered)

## Flamin' Groovies

I will find a way  
To get to you some day.  
Oh, but I, babe, I'm so afraid I'll fall, yeah.  
Now can't you hear me call? Shake some action's what I need  
To let me bust out at full speed.  
I'm sure that's all you need  
To make it all right. It's taken me so long  
To get where I belong  
Oh, but, oh, please don't send me back that way, yeah.  
For I will make you pay. Shake some action's what I need  
To let me bust out at full speed.  
I'm sure that's all you need  
To make it all right. If you don't dig what I say  
Then I will go away.  
And I won't come back this again. No.  
'Cause I don't need a friend. Shake some action's what I need  
To let me bust out at full speed.  
I'm sure that's all you need  
To make it all right.
