Poison In the Well

Marie Hines

It only hurts me
To sit among the frozen memories
To hold on to a line without a lead
Put a poison in the wellIt only hurts you
I hold forgotten moments in review
Count aloud the blows I feel youre due
With a settled score to tellHow many times do I have to sever ties between us
How many times do I have to tell the lies to leave us, leave us, leave us beWe cant go back, we cant go back
We cant go back to before
Weve broken this, weve damaged that
We cant go back anymoreI could walk away
Pretend that theres a reason I cant stay
Close my eyes and try to kill the flame
But I need you my babeHow many times do I have to sever ties between us
How many times do I have to tell the liars to leave us, leave us, leave us beWe cant go back, we cant go back
We cant go back to before
Weve broken this, weve damaged that
We cant go back anymoreIm letting go, waiving my right
To all of the things that were not mine
Its gonna save us darlin, save us darlin dearIm letting go, waiving my right
To all of the things that were not mine
Its gonna save us darlin, save us darlin dearWe cant go back, we cant go back
Weve broken this, weve damaged thatWe cant go back, we cant go back
We cant go back to before
Weve broken this, weve damaged that
We cant go back anymore(oh, oh, oh)
(oh, oh, oh)
(oh, oh, oh)
