

# The Future Free

## Daisy Chainsaw

All, all for the future free, so free  
All, all for the future free, free, so freeFor God we stood the right  
Do as we should just for you, my boyKeep you from the common ploy  
Just for you my girl when I'm dead and goneFor God we stood the right  
Do as we should just for you, my boyDo as it takes for all our sakes  
Must save our race just for the Union JackDon't you feel so proud of that?  
Just for the Stars & Stripes we'd pay the highest priceFor God we stood the right  
Do as we should just for you, my boy
