

Equal Rights

Mikey Dread

Stand up for justice and equality
Stand up for equal rights, yeah
Stand up for equal opportunity
Brothers don't you give up the fight

Don't silence your voice
Don't let them rob you of your human rights
Don't silence your voice
Don't let them rob you of your human rights

Stand up for equal opportunity
Stand up for equal rights, yeaah
Stand up for peace and harmony
Sisters don't you give up the fight

Oh no no no, stand up for your rights!
Oh yeah yeah yeah, stand up!
Oh no no no, stand up for your rights!
Oh no no no, stand up for your rights!
Stand up! stand up for your rights!
Stand up! stand up for your rights!

Stand up for justice and equality
Stand up for equal rights, yeah
Stand up for equal opportunity
No matter if you're black or you're white

Oh yeah yeah yeah, stand up!
Oh no no no

Stand up for justice and equality
Stand up for equal rights, yeah
Stand up for equal opportunity
No matter if you're black or you're white

Oh no no no, stand up!
Oh no no no, stand up!
Oh no no no, stand up! and fight!

Oh no no no, stand up!

Oh yeah yeah yeah, stand up!
Oh no no no, stand up!
Oh no no no, and fight!
Stand up! stand up! stand up! and fight!
Stand up! stand up! stand up! and fight!
