Internet Friends

Shy Kidx

Come now, surely we can be friends
I know so much about you
I love you, look at everything i've done for you
You would be nothing without me

Why won't you answer me?
I bet your busy talking to some f**cking sl*t
F**cking skank
Is she hotter than me? Would you f*ck me? Are you gay?

You blocked me on Facebook, and now you're going to die

Now you're going to die

You blocked me on Facebook

Now you're going to die
Now you're going to die

You blocked me on Facebook
