

Child Support (Dirty)

Ice Cube

Bucka

I'll beat your badass Ain't no other kings in this rap thing

They siblings

Nothin' but my chil'ren

One shot they disappearin'

Ain't no kings in this rap thing

They siblings

Nothin' but my chil'ren

One shot they disappearin' Bitch niggas

Still wanna check my urine

Still can't believe

What you see and what you're hearin'

You motherfuckers

Thought you knew the whole story

Until your mama

Took a nigga on Maury Read your test results

Are you the father

I looked at his bitch ass told him don't bother

I'm the father of this gangsta shit

Never thought that I have a bunch of bastard kids

Lil' bad ass kids

I whoop they ass every night

Send the paramedics bitch

And the black and white

I brought you in this world

I'll take you out

Do you ugly

So mama can't make you out

You know my style a colt

File a report

I'm a deadbeat daddy

No child support

You get fooled? like the last trick

Get it out your ass bitch

You niggas know my pyroclastic flow

C'mon Ain't no other kings in this rap thing

They siblings

Nothin' but my children

One shot they disappearin'

Ain't no kings in this rap thing
They siblings
Nothin' but my children
One shot they disappearin' You want child support
Get it out your ass bitch
You want child support
Get it out your ass bitch
You want child support
Get it out your ass bitch
You want child support
Get it out your ass bitch Y'all niggas know
Y'all bitches know
Where you get it from
Who's the original
You got your daddy's mouth
Talk like a criminal
Keep it gangsta son
Never get pigeon holed
Rap bastards tryin' to make a classic
Keep your dumb ass out of the casket
'cause in the *scope? and spend your money
They don't give a fuck
About a dead rapper
Nigga they'll chop it up
Keep it movin' ya'll
They'll come mop it up
Corrupt LAPD cover up
Everyday nigga we know drama
They ain't lookin' for Osama
Ask Big E's mama
Thank God that the gangsta's back
We ain't got to put up with this brainless rap
May your lungs collapse in seas of funny
All you can rap about is pussy and money
C'mon Ain't no other kings in this rap thing
They siblings
Nothin' but my children
One shot they disappearin'
Ain't no kings in this rap thing
They siblings
Nothin' but my children
One shot they disappearin' You want child support
Get it out your ass bitch
You want child support
Get it out your ass bitch

You want child support
Get it out your ass bitch
You want child support
Get it out your ass bitch All y'all rappers should kiss and make up
Take your bullshit jewelry back to Jacob
Get your mind right nigga
And start to wake up
'cause the whole rap industry needs to shake up
You got million dollar niggas killin' million dollar niggas
Bustin' outta Bentleys
Wearin' chinchillas
There you go again rollin' in your limo
Comin' from the Grammy's shootin' out the window
I know the scripture
But there's something wrong with this picture
What you mad about
Diamonds all in your mouth
No car note nigga house paid off
I never heard of a rapper gettin' laid off
Boy you a fool
Or you just act crazy
Or you a grown crack baby born in the 80's
To all you motherfuckers say I went Hollywood
I'm gangsta
I know when I got it good Ain't no other kings in this rap thing
They siblings
Nothin' but my children
One shot they disappearin'
Ain't no kings in this rap thing
They siblings
Nothin' but my children
One shot they disappearin' You want child support
Get it out your ass bitch
You want child support
Get it out your ass bitch
You want child support
Get it out your ass bitch
You want child support
Get it out your ass bitch
Young rappers lookin' for pocket change
With boo boo lyrics
Go get your diaper changed
Young rappers lookin' for pocket change
With boo boo lyrics
