

Gentle River

Great Outdoors

I've lived a life full of sorrow with no where to run or to hide
Happiness you'll see is borrowed all I want is you by my side
Gentle river take me away to the time of happier days
All I need is love and company gentle river bring him back to me
You can spend all your time a-cryin' listen here I don't need your sympathy

'Cause I've made my life to live it all I need is you here with me
Gentle river take me away to the time of happier days
All I need is love and company gentle river bring him back to me
Gentle river bring him back to me
