Goodnight, Hollywood Blvd

[unknown]

It's happening baby
They're putting up the chairs
Taking the money
And all we can do is pray
Pray for tomorrowSo close your eyes
And close your mouth
And do this all in time to the music
That screams like a child in the back of your mind
In a clown's saloonSo goodnight Hollywood boulevard, goodnight
See you soon
Goodnight Hollywood boulevard, goodnight
See you sometime
See you sometime
Yeah right, yeah rightRun away baby
Back to your lonely house
You wanted the honey
But you were only just stinging yourself
It's hard to watchSo I close my eyes
And I close my mouth
And do this all in time to the music
That dances like fools set on fire
Flailing their arms in a room full of whoresSo goodnight Hollywood boulevard, goodnight
See you soon
Goodnight Hollywood boulevard, goodnight
See you sometime
See you sometime
Yeah right, yeah right
Yeah right, yeah right
Yeah, right
