

Goodnight, Hollywood Blvd

[unknown]

It's happening baby
They're putting up the chairs
 Taking the money
 And all we can do is pray
Pray for tomorrowSo close your eyes
 And close your mouth
 And do this all in time to the music
 That screams like a child in the back of your mind
In a clown's saloonSo goodnight Hollywood boulevard, goodnight
 See you soon
 Goodnight Hollywood boulevard, goodnight
 See you sometime
 See you sometime
 Yeah right, yeah rightRun away baby
 Back to your lonely house
 You wanted the honey
 But you were only just stinging yourself
 It's hard to watchSo I close my eyes
 And I close my mouth
 And do this all in time to the music
 That dances like fools set on fire
Flailing their arms in a room full of whoresSo goodnight Hollywood boulevard, goodnight
 See you soon
 Goodnight Hollywood boulevard, goodnight
 See you sometime
 See you sometime
 Yeah right, yeah right
 Yeah right, yeah right
 Yeah, right
