

Hotel Nacional (Ralph Rosario Mix)

Gloria Estefan

Hotel Nacional
Dress, very chic
One, two, daiquiris
Dancin' to the Cuban beat
White pearls, teased up hair
Lipstick's red, to make 'em stare
Drama's on like Susan Lucci
It's time for Hoochie Coochie Say goodbye to the sunlight
We own the nighttime, yeah Two-toned shoes, favorite dress
Need no diamonds to impress
Red and white coupe Chevrolet
Paparazzi flash away
I'm feeling VIP
It's the only way to be
Going for gold like Yamaguchi
It's time for Hoochie Coochie Say goodbye to the sunlight
We own the nighttime, yeah
