Good Times

Graham Coxon

I can't feel the same again
Now that I found you
And I won't be the same again
Now that I found youOnce it was so easy
Now it just ain't that
And you won't believe me
Cause I, I never knewI want you to remember the good times
And everytime I see you
A sadness falls upon me
Cause I still love you
And long for you and meI want you to remember the good times
