Made In America

Cimorelli

M-A-D-E I-N AMERICA
M-A-D-E I-N AMERICAChristina:
Striped flag wrapped around my head
Blue, white, little bit of red
Live free like we always said
Oh woah oh
California born and raised
Work hard, gonna make a name
Gettin' closer every day
Oh woah ohKath:
And now my life is getting better
It's on, no matter what the weather
We're gonna celebrate together
All night long
And they say age is just a number
But we're not getting any younger
So let's celebrate together
All night longLisa:
Singing like woohooooo
Singing like woohooooo
'Cause we're made in, made in, made in, in America
It's trueeeee
Baby it's trueeeee
'Cause we're made in, made in, made in, in AmericaAmy:
New York, and back to LA,
Sac town, down to M-I-A,
Bright lights in the USA
Oh woah oh (yeah)
Shoutout to the country boys
Small towns time to raise your voice
Suburbs come on make some noise
Oh woah oh...Dani:
(Ooh... ooh...)
And now my life is getting better
It's on not matter what the weather
We're gonna celebrate together
All night longLisa:
Singing like woohooooo
Singing like woohooooo

'Cause we're made in, made in, made in, in America
It's trueeeee
Baby it's trueeeee
'Cause we're made in, made in, made in, in AmericaLauren:
I pledge allegiance to the home of the brave
Blue jeans, ball caps, and football games
Fireworks outside on the 4th of July
Summer night barbecue, bring the apple pie
From the cowboys riding in the pickup trucks
(M-A-D-E I-N America)
To the girls in the cities screaming TURN IT UP
'Cause we're M-A-D-E I-N AmericaLisa: (outro)
Woohooooo
Singing like woohooooo
'Cause we're made in, made in, made in, in America
It's trueeeee
Baby it's trueeeee (yeah)
'Cause we're made in, made in, made in, in America
Singing like woohooooo
Singing like woohooooo
'Cause we're made in (whoo!), made in, made in, in America
It's trueeeee
Baby it's trueeeee (ooh)
'Cause we're made in, made in, made in, in America
