

# Greatest Story Ever Told

## The Persuasions and Friends

Thank you for this moment  
I've gotta say how beautiful you are  
Of all the hopes and dreams I could have prayed for  
Here you are  
If I could have one dance forever  
I would take you by the hand  
Tonight it's you and I together  
I'm so glad I'm your man  
And if I lived a thousand years  
You know I never could explain  
The way I lost my heart to you  
that day  
but if destiny decided I should look the other way  
then the world would never know  
the greatest story ever told  
and did I tell you that I love you  
tonight  
I don't hear the music  
When I'm looking in your eyes  
But I feel the rhythm of your body  
Close to mine  
It's the way we touch, it soothes me  
It's the way we'll always be  
your kiss your pretty smile  
you know i'd die for  
oh baby  
you're all i need  
And if I lived a thousand years  
You know I never could explain  
The way I lost my heart to you  
that day  
but if destiny decided I should look the other way  
then the world would never know  
the greatest story ever told  
and did I tell you that I love you  
just how much i really need you  
did I tell you that I love you  
tonight  
tonight

And if I lived a thousand years  
You know I never could explain  
The way I lost my heart to you  
that day  
but if destiny decided I should look the other way  
then the world would never know  
the greatest story ever told  
and did I tell you that I love you  
just how much I really need you  
did I tell you that I love you tonight
