

# Whispers in the Dark

## Mumford & Sons

You hold your truth so purely  
Swerve not through the minds of men  
This lie is dead  
This cup of yours tastes holy  
But a brush with the devil can clear your mind  
Strengthen your spine  
Fingers tap into what you were once  
And I'm worried that I blew my only chance Whispers in the dark  
Steal a kiss and you'll break your heart  
Pick up your clothes and curl your toes  
Learn your lesson, lead me home  
Spare my sins for the ark  
I was too slow to depart  
I'm a cad but I'm not that flawed  
I set out to serve the Lord. And my heart  
Was colder when you've gone  
And I lost my head  
But found the one that I loved  
Under the sun  
Under the sun Fingers tap into what you were once  
And I'm worried that I blew my only chance  
Fingers tap into what you were once  
And I'm worried that I blew my only chance And my heart  
Was colder when you've gone  
And I lost my head  
But still, while we are young  
While we are young  
While we are young  
While we are young
