Giving Gravity a Hand

Ten Foot Pole

triple bypassknocked on his ass
the doctor told him not to smokehe dims the light
but late at nightpuffing through the tube jammed on his throatgiving gravity a handfeels all right, feels all rightcutting life short by making it grand
giving gravity a handgiving gravity a handfeels all right, feels all rightgiving gravity a handone step closer to the promise land, yeahscars from road rashgifts ffom each crashmemory of road grinding my bone
i die insideif i can't ride carving through the canyons flying home
