

Christmas Comin' Round Again

[Scotty McCreery](#)

Two brothers not speaking for two years now
Can't even remember what they're fighting about
It might be the snow fall or the glow of those lights
But both say that "I'm sorry" end up talking all night
Hallelujah! There's forgiveness in the wind
Hallelujah! It's time to let go and let the love in
Christmas is comin' around again
There's a mom and a daddy who split up last July
Two houses, three kids now they're splitting up time
Comes over for dinner
Ends up sticking around
Around the table they're laughing
Hey, they might work it out
Hallelujah! There's forgiveness in the wind

Hallelujah! It's time to let go and let the love in
Christmas is comin' around again
Oh there's something 'bout this time of year
And makes you wanna start living right now, right here
He opens the door and walks inside. The choir is singing silent night
He hadn't been in this place since he turned 18

Heard the story of a baby born a king sent here to save us from everything. It hit him straight in his heart and He
fell to his knees

Hallelujah! There's forgiveness in the wind
Hallelujah! It's time to let go and let the love in
Hallelujah! There's forgiveness in the wind
Hallelujah! It's time to let go and let the love in
Christmas is comin' around again
Christmas is comin' around again
