

Love & Lust

Eric Bellinger

Eric Bellinger:

(Piano)

Do I love her, do I love her body?

Could it be that I'm just tryna get inside it

I'm excited, I can't hide it

Got me holdin up my jeans when I'm felt on

Youp, youp you know what it is

Everytime I do it I do it big

I been tryna figure out if I want her to go down south

[Chorus]

Cause I know it's a thin line between

Love and Lust

And it's crazy cause I know that she got everything I need

but I know that it's a thin line between

Love and Lust

See Baby it's hard cause I don't know what to believe

Do I really want you or do I want your body

Do I want you, or do I want your body

Love and Lust Ohhh

When I go to bed I be dreamin bout it and when I wake up I be thinkin bout it

Won't deny it, got to try it

When I get it will I quit it, will I move on

Will I still be in love, will my baby be the only One I'm thinkin of

I'm just tryna figure out, if I'mma leave her will she throw it at herself

[Chorus]

Cause I know it's a thin line between

Love and Lust

And it's crazy cause I know that she got everything I need

but I know that it's a thin line between

Love and Lust

See Baby it's hard cause I don't know what to believe

Do I really want you or do I want your body

Do I want you, or do I want your body

Love and Lust Ohhh

Rap:

Yo I don't know if I'm in love

or if I just wanna take her to the bedroom and make her body go

"na na na"

sing a melody like

"la la la"
but whateva the case girl, Im someone you can trust
e-e-even when it's Lust
At least I'm bein honest, not just tryna get it funny girl
Do I want you on your knees
or do I really wanna get down on my knee
and give you that ring girl
Cause thee say that if you like it, then you shoulda put a ring on it
Do I want you or your body?
You or your body?Love and Lust Ohhh
