It's on You

Happyness

Remember when we got broke into the park
And you got late and I watched you - said that was fine
You said you didn't like the government of our school
You're so cool, you're just like Robyn Hood.I can't get away
What makes you think I'd want to anyway?!
I've just want jack-cop train
Retirement plan,
Would take me far away where I can be myselfRemember when we said said those things that night
And I thought "she was so right"
You said I'm an anarchist, communist, feminist flip out the miss -
Yea, right!?
I can't get away
What makes you think I'd want to anyway?!
I've just want jack-cop train
Retirement plan,
Would take me far away where I can be myself
I'm never going out
Can't you sort it out
I'm never going out
Can't you sort it out
I'm never going out
Can't you sort it out
I'm never going out
Can't you sort it out
